I sent a note to Jean Battle to see if she is interested. The Corps is not necessary since their concerns don't have to be addressed, but I definitely wouldn't mind if Jean is there. I will let you know if I need a ride; it may be just as easy to rent a car for a couple days.

Thanks.

It will be at our office in Marquette, but of course you would still fly into Sawyer International in Gwinn. They want the meeting Tuesday morning, so I will follow up with them to set a specific time and let you know. Let me know if you need a ride from and back to the airport. Also, they are now requesting to include the Corps in the meeting. Via phone would be acceptable I think, but not sure including the Corps is reasonable given the consolidated federal objection and the late date. What do you think? Thanks.

Ginny,

Will the meeting be in Gwinn? Based on flight times, I will need to fly in Monday night and out Wednesday morning, so I will be available all day.

Let me know either way,

Melane

Good morning Ginny and Kristi,

Getting back to you regarding our discussions on a meeting with MDEQ and EPA. I checked with our folks and it looks like the 13th is the best day. Could you get back in touch with me so that we can settle on a time.

Best regards,

Steve
